### SEATADVISOR PRODUCT: SABO ARTS

#### SABO Arts

**SEAMUS ENNIS CENTRE** will use SABO - a powerful & feature rich web based ticketing system to manage all aspects of their venue from the box office to the marketing department.

**Seamus Ennis Centre** is a theatre located in Naul, Co. Dublin. The Séamus Ennis Cultural Centre was officially opened on 23rd October 2001. The theatre will use The SABO integrated ticketing, fundraising, and customer relationship management (CRM) and access control solution.

"We have researched available ticketing and venue management systems for the past year, and SABO's web-based easy to use system is the one that meets our needs," said Shane Power, Manager Director of The Seamus Ennis Centre. "We are in the very beginning stages of a marketing campaign, and with SABO's seamless view of our customers and clients, coupled with the management tools we will be able to place in the hands of the many organisations that call The Seamus Ennis Centre home, convinced us that now was the time to make the jump.

Using SABO's integrated, single database solution, The Seamus Ennis Centre will have access to ticketing, fundraising, marketing, crm and access control functionality allowing all departments manage their operation from one real time system.

While the venue has a core focus on ticketing they make extensive use of all the ancillary facilities at the venue to provide a richer customer experience. The SABO system provides the data management and analysis tools necessary to improve relationships with existing customers, and marketing tools to attract new ones.

#### Organisation Profile

The Seamus Ennis Centre's aims are to promote and develop the traditional arts and the arts in general on a local and regional basis, and to this end, organize and host performances, sessions, workshops and classes weekly. The idea for a cultural centre in memory of Séamus Ennis has its origins in Scoil Shéamuis Ennis a festival which takes place every October in the village of Naul and surrounding districts.
